---

Motivated Frontend Developer with hands-on experience building real-world projects using modern web technologies. Passionate about clean code, responsive design, and creating user-friendly digital experiences. Seeking an internship opportunity to grow and contribute to impactful projects.

## Education

### Bachelor's in Information Technology and Libraries at Faculty of Arts, Tanta University

October 2022 - Present

**Grade:** 3.7 / 4.0

Currently pursuing a Bachelor's degree in Arts. Completed several coursework modules related to my major, along with additional programming courses that strengthened my technical and problem-solving skills. Actively developing both academic and practical abilities while progressing toward graduation.

## Experience

### Frontend Developer at Olspark Company, Tanta, Egypt

January 2025 - August 2025 • [↗](#)

- Completed a full Front-End training program at Olspark, covering HTML, CSS, and JavaScript.
- Built multiple real-world UI components and pages during my training and work period.
- Improved code quality and problem-solving skills through continuous practice and project-based tasks.
- Collaborated with team members to deliver clean and responsive web designs.
- Gained hands-on experience in creating responsive layouts and interactive web elements.

## Internships

### Frontend Developer at Humma-Volve, Remote

October 2025 - December 2025 • [↗](#)

- Worked on multiple real-world projects using React, TypeScript, and Tailwind CSS.
- Integrated real APIs and built fully functional features from scratch.
- Improved front-end development skills by applying clean code practices and reusable components.
- Collaborated in a professional workflow similar to real company environments.
- Gained strong experience in building responsive and dynamic web applications.

## Skills

**Languages:** HTML, CSS, JavaScript, TypeScript (Basics)

**Frameworks & Libraries:** React.js, Next.js, Tailwind CSS, Bootstrap

**Tools & Platforms:** Git, GitHub, VS Code, Figma, npm, postman, Strapi

**Soft Skills:** Teamwork, Problem-Solving, Communication, Fast Learner, Responsive Design
